MEMORANDUM FOR SAHS Sponsors/Students Involved in Co-Curricular Activities  
SUBJECT: **Standard of Conduct**

Behavior/conduct of SAHS personnel during on/off campus activities will be maintained at the highest level. Students who fail to uphold the expected level of behavior will be returned to their homes at their own expense.

**Examples of unacceptable behavior would include but are not limited to the following:**

1. Use of drugs, alcohol, and tobacco.
2. Sexual misconduct.
3. Abusive or vulgar language.
4. Absence from designated billeting, activity areas and/or travel.
5. Abuse of International Good Conduct Standards, and lack of "good manners".
6. Vandalism or improper care of facilities and equipment.
7. Not maintaining a dress code if established by the sponsor.
8. Fighting.

**Additional responsibilities of sponsors include:**

1. Being responsible for students during practice, competition, and transportation to and from events including out of country events until students are returned to their parents.
2. Sponsors must reside with students in all billeting arrangements.

I have read and understand the above statements. I will maintain the highest level of behavior during my involvement with this activity. Additionally, I understand that I may have opportunities during school related trips to go shopping, get something to eat, etc. If the sponsor of chaperone is not available to go with me, I must be accompanied by two other students. In no way does this change the standards of good conduct.

**Parents, please indicate your preference;**

I authorize my son/daughter to participate in unsupervised activities with a minimum of two students during day or evening free time.

I request that my son/daughter remain with the sponsor/chaperone at all times while involved with this activity.
